Day 1 Patch | 1.0.0

A small patch to the asset before it got approved to fix some issues we found with the asset.

Asset Changes

- Fixed some minor spelling/grammar mistakes in the documentation.

Bug Fixes

- Fixed an issue where the Major/Minor options wouldn't correctly increment their values.
- Fixed an issue where the Major/Minor options wouldn't reset their lower values to 0.
- Fixed an issue where the Date of a build would be incorrect when using the Only Successful Builds for the first time on a new day.

Initial Release | 1.0.0

Initial release of asset, first public version.
